## Potentate's Greeting

**T**HIS is the first opportunity given me since the annual meeting, to greet the Nobles of Aleppo Temple, and to acknowledge my appreciation of being elected to the office of Potentate.

I have been on the job since January, and have wanted to have a ceremonial, just as much, no doubt, as you have wanted one to be held; but to have successful meetings we must have candidates. The channels through which candidates become eligible have not, until recently, functioned actively.

We now hope for a good number of novices that are all "pepped" up to make the journey to Mecca on May 24. Our trusty Arabs are more than anxious to throw open the gates to the Desert and give the unregenerate all that can be given to them.

Attention is called to the application blank attached to the last page of this notice. No doubt you have a friend who needs the spring tonic of Shrine Sunshine.

Give us plenty of candidates and we will give you plenty of action.

### GETTACANDIDATE

It has been a pleasure to have come in contact with many of the Nobles who have been good enough to call at the Shrine offices. I would like, if it were possible, to meet all of the members. If you are in the vicinity of the Statler Building, take the elevator to Room 1320. I am there on Monday, Wednesday, and Friday. If you cannot call on those days drop in anyhow — you will be made welcome.

For twenty-five years through service in the line I have had the opportunity to observe and study the needs of the Temple and to have formed some idea of the wishes of the members regarding the conduct of its affairs. We shall try to do the things we think represent the wishes of the members.

Without prejudice, we have made a few changes in the active personnel, with the thought in mind that new blood makes for new energy. I do not expect to achieve the impossible and please everybody, but there is no harm in trying to please most everybody. We will have to have the co-operation and the active support of a lot of Nobles. We invite *you* to help.

There is a trite little slogan that says "Boost the Boosters." We hope that you will be just what you naturally should be — A Booster.

There are ten Temples of the Shrine in New England. Aleppo is the largest but has not been the most hospitable. The spirit of New England calls for unity and a closer friendship. There is so much that we have in common and responsibilities that we share — particularly the Hospital for Crippled Children in Springfield — that all of New England should work together.

We have invited the New England Temples to visit us. Some of them are coming on May 24, and are going to play with us by taking part in the Second Section and showing how their stunt-makers work on the "hot sands." Nobles, give the boys a big hand.

On the subject of hospitality, why not loosen up your smile when you see a Fez that tells you the wearer is a visitor. Make it your business to have him feel that he is in the house of his friends.

Also, with our large membership you may not personally know the man from Aleppo that sits beside you; well, just extend your hand and say "Hello, Noble!"

By the way, we are going to have our Strawberry Shortcake at this Ceremonial.

Yours in the Faith,

*Sam Haskell*

## RECORDER'S NOTES

One of the *pleasant* duties of the Recorder is to appeal for dues. Every Recorder has this task and the most of them are very successful at it. The Recorder knows, and the Divan knows, that at the beginning of each year the Temple must send the Imperial Recorder a check in full payment of the per capita tax, also a check covering the Hospital assessment of each Noble of the Temple. If you have not already paid your dues, please send your check at once. You need the card. We need the money.

### 1929 UNPAID DUES

I keep six honest serving-men  
(They taught me all I knew);  
Their names are *what* and *why* and *when*  
And *how* and *where* and *who*.  
— Kipling.

**What**—your 1929 dues.

**Why**—we need the money.

**When**—now.

**How**—check, money order, or cash.

**Where**—1320 Statler Building, Boston, Mass.

**Who**—Nobles without 1929 Green Card.

To be a Shriner in good standing you **MUST** retain your membership in one or the other of the two prerequisite Masonic bodies — a Commandery of Knights Templar or a Consistory of the Ancient and Accepted Scottish Rite. There is concerted action to check all suspensions and demits from the above-mentioned Bodies.

If this applies to any member of Aleppo Temple, whether a Regular or Life Member, we hope that he will immediately take such action that will re-establish him in his prerequisite Masonic body before it becomes necessary, according to the Shrine law, for the Recorder to suspend him from Aleppo for nonaffiliation. **LOOK WELL TO THE EAST.** Take **DUE NOTICE** thereof and govern yourself accordingly.

### SHRINE MAGAZINE

The Shrine Magazine was permanently discontinued after the December issue, this action being taken at the Imperial Council Session held in Miami, May, 1928.

### HAVE YOU MOVED?

Don't get your mail, eh? Well, well, that's too bad. We suppose you moved and forgot to mention it to the Recorder. Some day you're going to miss something good, for the Shrine mail is not always a call to pay dues.

### NOBLES, REMEMBER!

Bring your 1929 (Green) Shrine Card,  
Wear your "Fez,"  
Get a Candidate,  
and we'll all be happy.

## THE JOURNEY'S END

*"Today the journey is ended;*

*They have worked out the mandates of fate;*

*Naked, alone, undefended,*

*They knocked at the uttermost gate —*

*Lo, the gate swings wide at their knocking:*

*Across endless reaches behold*

*Lost friends, with laughter, come flocking*

*To give them glad welcome untold.*

*Farewell! The maze has been threaded;*

*This is the ending of strife;*

*Say not that death should be dreaded,*

*'Tis but the beginning of life."*
